

# 2026 Sponsor/Exhibitor Packet

## ABOUT FloridaACE

The Florida Association of Colleges & Employers is also known as FloridaACE. FloridaACE membership includes representatives from higher education institutions within the state, including public and private colleges and universities; community colleges; technical school career centers and co-operative education personnel, as well as industry employers who recruit on Florida campuses. FloridaACE helps build Florida's workforce by promoting innovative internships, cooperative education, and career opportunities through partnerships among career professionals in education, government, and industry

## WHY SPONSOR?

Sponsoring the Florida Association of Colleges and Employers (FloridaACE) aligns with several key benefits and values:

**Networking Opportunities:** Sponsoring the conference provides your company with networking opportunities with career services professionals and talent acquisition individuals from various organizations and industries.

**Brand Visibility and Recognition:** By sponsoring the event, your company can increase its visibility and brand recognition within the college and career services community in Florida.

**Professional Development:** Supporting the conference demonstrates your company's commitment to meaningful professional development, which is a core value of FloridaACE. Your sponsorship can contribute to the success of workshops, seminars, and panel discussions focused on career advancement and skill development for attendees.

**Community Engagement:** Sponsoring the event allows your company to actively engage with the career services and talent acquisition community in Florida. This involvement can lead to long-term relationships with key stakeholders and organizations, ultimately benefiting your company's recruitment and talent management efforts.
